MSC Homecoming Queen Candidates Named for 1964

Reanne Johnston:

Home town: Lake City, Iowa
Classification: Sophomore
Major: Music
Sponsor: Tri Sigma, Phi Sigma
College activities: Tri Sigma, Choir and Chorus, Sigma Phi Dolphin Historian

Shirley Moore:

Home town: Spencer, Iowa
Classification: Junior
Major: Spanish
Minor: History
Sponsoring organizations: Alpha Sigma Alpha, Tau Kappa Epsilon
College activities: Senate, President of Roberta Hall, Pledge Trainer of Alpha Sigma Alpha, Kappa Delta Pi, Student Disciplinary Committee, Student Faculty Affairs, Social Science Club, Homecoming Committee, Campus Bowl.

Celia Thompson:

Home town: Kansas City, Missouri
Classification: 2nd Semester Sophomore
Major: Business
Minor: English
Sponsor: Phi Mu, AKL
College activities: Phi Mu Historian and assistant Pledge Trainer, Cheerleader, works for business department.

Barbara Knox:

Home town: Casey, Iowa
Classification: Senior
Major: Elementary and Secondary Music Education
Sponsoring organization: Men's Residence Hall Dorm Council, Town Girls Association, ISO.
College activities: Counselor, Music Educator's National Conference, Student National Education Association, Tower Choir, Orchestra, Madrigal, Band, Worship Committee Chairman for Religious Emphasis Week.

Mary Frances Schulenberg:

Home town: Hiawatha, Kansas
Classification: Sophomore
Major: French
Minor: English
Sponsor: Delta Zeta, Phi Lamb
College activities: Book Club, SNEA, Newman Club, Religious Emphasis Week Committee, Delta Zeta Pledge Trainer

Merit Scholarships Information

Merit Scholarship Forms To Be in by Dec. 31

Applications for Merit Scholarships are now being accepted. Students whose scholarship is sufficiently high and are in financial need are eligible for making an application. This scholarship provides \$50.00 a semester. All applica-

tions must be turned in before Dec. 31. This deadline also applies for students wishing to renew their Merit Scholarship. This is a responsibility of the student.

For further information and application forms, contact the office of the dean of students as soon as possible.

Homecoming Dance, Variety Show Key MSC Social Week

The highlight of the homecoming festivities will take place at the Lamkin Gymnasium, Saturday, Oct. 31.

Playing for the dance will be Gary Round and his orchestra. The dance will be held from 9 p.m. to 1 a.m. This year's theme will be centered around Cinderella's ball.

Tickets will be sold in the Den of the J. W. Jones Union Building from 8 a.m. to 4 p.m., Monday through Friday, Oct. 26-30. Tickets for college students are \$2.50 per couple. All tickets sold at the door will be \$3.00.

The Homecoming committee for the dance decorations is directed by Virginia Bright and Mike Thompson, co-chairmen. The other members of the committee are Jo Ann Fabro, Mary Mast, Emily Nevett, David Neustadt, and Raymond Reynolds.

Homecoming Variety Show

The Homecoming theme of "Famous Legends and Myths" will be carried through in the Variety Show to be held Oct. 29-30 in the college auditorium. The show starts at 7:30 both nights.

Skits will be presented by 10 organizations. In preparing the skits each organization was helped by a member of the dramatics department. The groups presenting skits are: Alpha Psi Omega, the national dramatics fraternity; the sororities, Alpha Sigma Alpha, Sigma Sigma Sigma, Delta

The prices of the tickets with an activity ticket are uncushioned seats 50c and cushioned seats 75c. Without an activity ticket the prices are uncushioned seats 75c and cushioned seats \$1.00.

The Variety Show committee consists of Mike Knepper, Sandy Coffin, Susan McConkey, Mike Stevens, and Kathy Lockridge.

Ron Fitch, Union Board Party Chairman

Ron Fitch is from Kansas City, Kan., and is majoring in social science. He plans to teach after graduating next June.

Ron Fitch

Union Board

Union Board has been Ron's main interest among his various activities. He has been on Union Board for four years serving as Publications Chairman and now as Central Party Chairman.

The Central Party Committee handles the all-school dances which take place on campus. A schedule of dances which come under this committee are: Back to School, Walk-out Day, Christmas, Tower, and Spring Formal. The most impressive dance in the past has been the Christmas Dance with a big name band, such as Louis Armstrong, usually giving a concert and following with a dance. This year Ron plans to have a Spring Formal, which hasn't been held for three years. The Spring Formal and Christmas Dance plans are now being made, and a band along the lines of Les Elgart, Harry James, or Pete Fountain will be contacted.

Ron's other activities have included Religious Emphasis Committee, Student Body President's Advisory Cabinet, and Homecoming Co-chairman. Along with the Central Committee his main activity has been Homecoming. Ron is a member of Sigma Tau Gamma Social Fraternity and was chosen for Blue Key last year.

Dean Licklider Enjoys Activities at MSC

One of the newest additions to MSC is Miss Karen Licklider, dean of women, who enjoys cheering at all of the football games and admires the enthusiasm and friendliness of the student body. Miss Licklider joined the college August 10 of this year.

Her home town is Akron, Ohio, where she attended the University of Akron. She graduated with a bachelor of arts in sociology and a master of arts in student personnel services. After graduation, Miss Licklider went to the University of Colorado, Boulder; here she held the position as director of a women's residence hall for the past three years. While in Colorado Miss Licklider gained an appreciation of the finer arts of skiing. She is going on her fourth year as a beginner!

Miss Licklider is not only responsible for the welfare, safety, and happiness of women students, but also holds many other positions on campus and is quite active in campus events. Among her responsibilities is compiling the calendar of events, sponsor of AWS, sponsor of TGA, co-sponsor of Cardinal Key, and organization of Junior and Senior women student leaders on campus, co-sponsor of Panhellenic Council and works with Mr. Needles and Mr. Belcher on the Union Board.

While away from campus, some of Miss Licklider's hobbies include horseback riding, convertible riding in her Karmann Ghia, and walking. She also spends a lot of time with

her 60-pound watch dog, Kelly. Kelly is a long-haired husky German shepherd. Miss Licklider said she spends most of her time with Kelly proving to Kelly that she is smarter than he. Kelly's favorite sport is barking at the students who use the sidewalk near their home.

When asked how she liked MSC, Miss Licklider replied, "I know that the student body of this college with the qualities of friendliness, enthusiasm, and leadership is better than any other college. I only wish everyone would stay on campus during weekends."

PARKING NOTICE

Parking space is now available in lot No. 1. Students who do not have parking assignments should apply for space as soon as possible. It is anticipated that students will use this lot and will refrain from street parking. Please contact Dean of Students' office for parking information and assignments.

College First by Veterans Club

The MSC Veterans Club has prepared a Homecoming booklet which contains schedules for the many events occurring during the week. Included in the booklet will be welcomes by President Robert Foster and Student Body President Glen Acksel, a general calendar of events, parade order, pictures of queen candidates, brief history of homecoming and of college, location of house decorations, last year's

winners, and alumni activities and events.

Selling for 25 cents, the booklets will be sold in the den and along the parade route.

This is the first time that a booklet of this type has been prepared.

BABY DOLL,

I promise to take you to the dance if you'll have a demonstration at MERLE NORMAN COSMETICS before we go.

ALWAYS LESS

Hope to Have Science Building by 1966

The science departments here at MSC are ready to break their seams. This statement was implied by Wm. Garrett, head of the biology department, in his interview regarding the new science building to be erected on our campus in the near future. Mr. Garrett stated that the present staff numbering six, three holding Doctorate Degrees, will have to be increased to 20 by 1970. The present department houses 3 laboratories and 2 lecture halls. Extremely over-crowded conditions exist. Mr. Garrett stated that they cannot purchase any new equipment because of the lack of space to store it.

The solution to this problem will be the new 3½ million dollar 3-story science hall that might be erected by fall of 1966. The new building, which is Dr. Foster's first major project of his administration, will be 288 feet long and will consist of three wings. (approx.

size of present administration building) The first floor will be set up to house the physics and geology departments and three lecture halls with seating for 500 students.

The second floor will house biology and third floor will house math and chemistry. Areas that are being planned for the new building will be a radiation lab, museum, computer lab, and possibly an electron microscope. The building as a whole will be air conditioned.

All these plans are pending approval of our vast network of government, however. First the plan must go to the Board of Regents and after approval must go to the State Commission of Higher Education. Then it is presented to the state legislature. If all goes well approval will come by August of '65.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Band Plans Program For Homecoming Half-Time Show

Mr. Ward C. Rounds reports that the Homecoming band plans are well underway. Thirty-nine bands will take part in the Homecoming parade, to be held Saturday morning, Oct. 31.

Bands from Missouri which will be participating are Park Hill, Richmond, Albany, Bethany, Burlington Jct., Eagleville, Gallatin, Graham, Grant City, Hamilton, Hopkins, Maysville, Stanberry, Tarkio, Weston, Craig, Fairfax, Fillmore, King City, Mound City, Oregon, Osborn, Pattonburg, Polo, Ravenwood, Ridgeway, Union Star, Winston, and Westboro. Bands from Iowa which will be participating are Bedford, Clarinda, Glenwood, Mt. Ayr, College Springs, Hamburg, Lenox, Lineville, New Market, and Essex.

Three judges have been selected to judge the bands, Mr. Edward Lakin, band director at William Jewell College; Mr. Leland Crapson, band director at Tarkio College; and Mr. Ralph Chatelain, high school band director at Auburn, Neb. These three men will judge the bands on alignment, spacing, interval precision, playing, and general appearance.

The pre-game show at the football game will consist of a mass band. Two standard marches, in addition to the Alma Mater and the Star Spangled Banner, will be played.

The MSC band will perform the half-time show. The first part will be based on the "Roaring 20's". The queen and her attendants will ride around the track in Model A and Model T Fords. The band will then form a crown for the queen. The twirlers will represent jewels at the top of the crown, and the queen and her attendants will represent jewels at the bottom of the crown. "Betty Co-ed", a popular tune in the 1920's, will be played. The rest of the half-time show will be a Halloween skit.

BASKETBALL ROSTER NAMED BY MENTOR

Basketball coach Dick Buckridge has announced his 1964 team roster after making the final major team cut Monday night.

Returning lettermen include Dave Remund, Dale Dawson, Rich Woods, Bill Yeager, and Mike Peterson who is out for football at present. George Rentfrow, squad member, is slowed with an ankle injury.

Key transfer players counted upon by Coach Buckridge are Dick Hansen, Kermit Goslee, Joe Pierce, Mike Simon, Bill Taylor, Bob Marek, and John Clemens. Hansen and

Goslee attended MSC last season but were "red-shirted," maintaining their eligibility for this year.

Coach Tom Matthews, assistant cage mentor, will lead the following freshmen in a 10-game schedule: Elmer Klump, Jay Cain, John Gaugh, Duane Heitman, Ron Howitt, Vic Mitchell, Bob Brower, Howie Simon, Ron Wyse, Paul Ross, and Don Hoover.

Wesley Banquet Termed Success

The second annual Wesley Foundation banquet, held Oct. 14, was a success according to Wesley representatives. Approximately 350 people attended the dinner. The purpose of the banquet was to stimulate the growth of the capital fund drive, which will provide the building of the Wesley Foundation Student Center.

Dr. Thomas Hall, district superintendent, welcomed the guests and presided over the banquet. Mr. J. Norvel Saylor, chairman of the board of directors, introduced the board members and related plans to get the student center built.

Dr. R. P. Foster, president of MSC and chairman of the building committee, confirmed the building site and explained the facilities included. "This chapel included in the center is not intended to take away the interest from the Methodist church in Maryville nor any other church in the surrounding community," explained Dr. Foster. "This chapel will merely serve as a continued training center for our college youth of today and tomorrow."

Students of the Wesley Foundation, stated their viewpoints and emphasized the importance of the Wesley Foundation Building. Kathy Lockridge, president of Wesley, stressed the importance of the student center in bringing ministry and church to the campus. Al Black, freshman from St. Louis, told of how the Wesley Foundation has provided a place of fellowship for all students which has especially inspired the freshman students.

Pat Hillers, senior from Hopkins, related the fact that Wesley Foundation offers a place of worship and a place to worship. She added that the building of the center would continue this fellowship. The last student speaker, Joe Zimmerman, senior from Cameron, explained that the new student center would encourage students socially, spiritually, and intellectually.

The closing speaker of the evening was Bishop Eugene M. Frank. Bishop Frank is from St. Louis and is Bishop of the Missouri Area of Methodist Churches. He said the Wesley Foundation in Maryville was of the finest in Missouri, and that it was an honor to have President Foster as chairman of the building committee.

Hudson Hall Dorm Council

Officers for Hudson Hall Dorm Council have been elected. They are Marjorie Wharff, president; Peggy Miller, vice president; Billie Phillips, secretary; and Cindy Darnell, treasurer.

The members, who represent different sections of the dorm, include: Joyce Edwards, Pam McCarty, Vicki Ruble, Pat Newbrough, Kathryn Seabough, Mary Potter, Kathy Griffin, Becky Wright, Pam Gray, Dowell Kearney, Charlene Hunt, Karen Lease, Julie Le Valley, Anita Couch, Maribeth Annan, Kathryn Johnson, Sharon Carter, Diana Collins, Colleen Nelson, Sandy Young and Kathleen Dooley.

"When a man answers the phone he reaches for a pencil; a woman reaches for a chair."

'The Crucible' To Feature New Style Stage Set

Rehearsals are now in progress for the opening show of the 1964-65 drama production season at MSC. The opener is Arthur Miller's two-act drama, "The Crucible," to be presented Nov. 19 and 20 in the college auditorium at 8 p.m.

Miller's "All My Sons" was presented on last year's bill as a theater-in-the-round in the little theater and was well received. "The Crucible" opened in New York in 1953 and was greeted by a massive ovation on its opening night.

Major critics who had expected that Miller might use the story of Salem witch hunts to make too critical a parallel about contemporary "investigations" took pains to praise the play as a drama that avoided direct parallels.

Heading the cast of the MSC production are: Lenny Anderson as John Proctor; Doris Wilson as Elizabeth Proctor, his wife; Carolyn Enis as Abigail Williams; Lynda Queen as Mary Warren; Kenneth Suetterlin as Rev. Samuel Parris; David Shestak as Rev. John Hale, the exorciser of witches;

Dan McLaughlin as Deputy-Governor Danforth; and Nick Erganian as Giles Corey.

In supporting roles are Renee Tackett as Betty Parris; Veriel Nickell as Tituba, the Barbados slave; Cheryl Reineke as Susanna Wallcott; Lynda Bahl as Mrs. Ann Putnam; Pete Pearson as Thomas Putnam; Minna Gail Halliday as Mercy Lewis; Margaret Price as Rebecca Nurse, the famous "witch" in the Salem trials; Craig Prater as Francis Nurse, her husband; John Zeiger as Ezekiel Cheever; Gary Rasmussen as John Willard; Keith Augustine as Judge Hathorne; Eddielea Roe as Sarah Good; Eddie Maltzberger as Hopkins; and Bill Rissler as a guard.

Director of the production is Dr. Ralph Fulsom, chairman of the speech and drama department. Kerry Lafferty, instructor in the department, is technical director. For the production he has designed a stage set which uses raised levels and projected scenery which permits flexibility in suggesting the changes of place.

A special wardrobe is being constructed under the supervision of Mrs. Theodore F. Palmer. Both Dr. Fulsom and Mr. Lafferty are being assisted in preparing for the event by members of Alpha Psi Omega dramatics fraternity, the drama club, the stagecraft class and speech arts problems class.

Other productions included in the season's bill are Moliere's "Le Misanthrope" of "The Man Hater." Oursler and Kennedy's comedy, "Behold This Dreamer," and Ira Levin's newest comedy hit, "Critic's Choice." The season will end with a production of one-act plays directed and acted by speech and drama majors and minors.

Library Machines Speed Efficiency

Well's library is acquiring many new machines to speed and increase efficiency. These include charging machines, a duplicator, and a microfilm machine.

Two new charging machines are being rented from the Gaylord Company to use with the new ID cards to check out books. These chargers work on the same principle as that of a time clock; while stamping the student number and the date; the machine will also notch the side of the library card. These two charging machines have been placed in the reserve room and at the circulation desk.

Also new will be a Xerox duplicator, which is presently on order. This machine will reproduce a more permanent copy, better focused and quicker than the type now being used. The standard price of 10 cents per page will not be changed.

The textbook room will have a third microfilm machine soon. Although this will not affect this semester's returning of textbooks, it will speed up the process of checking out textbooks for next semester.

Band Officers Named

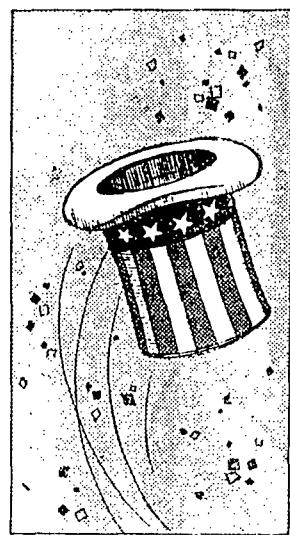

The MSC band has chosen new officers for the 1964-65 year. Connie Younger was chosen president; Jerry Cooper, vice-president; and Charlotte Watson, secretary-treasurer. The freshman representative is Jane Dale Williams, and the sophomore representative is Larry Benton.

Homecoming Foe Kirksville Boasts Top MIAA Power; 'Cats Look for Upset

Coach Ivan Schottel's Bearcats clash with Maurice "Red" Wade's Kirksville Bulldogs in the annual MSC Homecoming game which will feature two explosive running attacks. The afternoon game at Rickenbrode Field starts at 2:00 p.m.

Pre-season polls have favored the Bulldogs to capture their 17th MIAA title, but the surprising Bearcats could make those predictions false. Coach Wade didn't seem as optimistic as the pre-season pollsters. Wade recently stated, "We have only six senior lettermen on the squad; consequently, I feel the coming season must be classified as a rebuilding year." This statement was a pre-season one.

Contrary to Coach Wade's statement, he will field both a backfield and line with considerable versatility and depth. Leading the returning backs are Mike Richardson, all-conference halfback, and T. J. Jackson, both explosive runners. Jackson and Richardson were 1-2 in the conference last year on punt returns. Both ranked high in the final rushing statistics last season along with Ron Villars, Jim Dattilo and Willie Jones. All these backs return along with another top-notch ball carrier, Sharron Washington. Villars, a 6-1, 220-pound fullback, features an explosive start and fine speed for a 220-pounder.

The Bulldogs will not be without a seasoned quarterback. Sophomore signal-caller Paul Comer was second in the league in passing last season. He will provide the Bulldogs with a deadly passing attack to offset their potent running attack.

The Bulldog line features depth and a host of hard-hitters and excellent blockers. The line is again anchored by three-time all-conference and all-American tackle Dave Grant. The 6-1, 240-pound Grant will team up with 6-0, 245-pound John Chargois, 6-4, 240-pound Bill Seman, 5-8, 200-pound Maurice Minervini, 5-11, 205-pound John Kennedy and 6-0, John Glone.

Rounding out the line will be ends Steve Action, Bruce Taylor and Lou Coco. Action and Taylor are the top receivers of Comer's passes and are also fine runners. Coco sees most of his action as defensive safety and is a deadly pass interceptor.

Kirksville defeated Maryville, 22-7, last year. The Bulldogs hold a 28-11-4 edge in the series, dating back to 1908. Ryland Milner, now athletic director, won eight of those games captured by MSC. Fifteen games, not counting the four ties, have been decided by one TD or less.

The last MSC win over Kirksville came in 1955 by a 6-2 score. Milner was at the helm that year.

COLLEGE CHORUS

The College Chorus, which is composed of 75 members this year, elected officers on Oct. 15. The positions were filled as follows: president, Charla Albertson; vice-president, Rickey Steckelberg; secretary - treasurer, Eileen McCartney; and reporter, Rowena Husted.

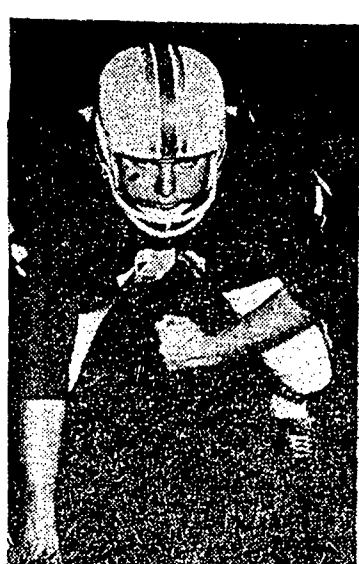

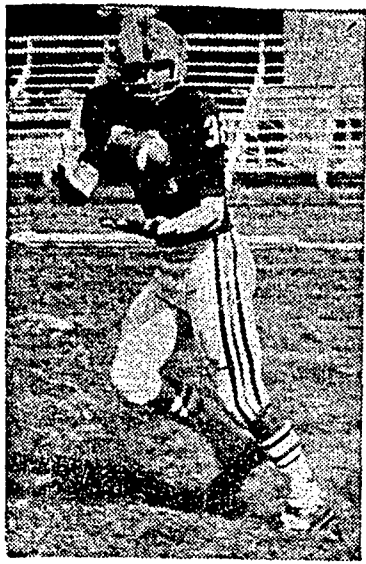

Award Winner Acksel All Set For Big Tilt

One of the many recognitions awarded during the Homecoming festivities is the Outstanding Lineman Award to a Bearcat lineman.

The winner of this award last year is this year's student body president, Glen Acksel. Glen, a senior, will again be leading the Bearcat "orange," or first unit against the strong Kirksville forward wall.

Glen, an active member of Sigma Tau Gamma fraternity, plays one game at a time, and says, "the 'Cats intend to win them all." However, Acksel feels the Homecoming spirit can't help but create a will to win.

The three-year veteran does not take any of the MIAA conference foes lightly and believes Kirksville has possibly the strongest line the 'Cats will have to face. The Bulldog wall will be much the same as last year and will again be built around little all-American, Dave Grant. Acksel is of the opinion that Grant deserved that recognition last year, especially against MSC.

TRI-CAPTAINS, left-right, Lonnie Irvin, Glenn Acksel, and Jim Redd will key the Bearcats' attack on Kirksville Saturday as MSC attempts to take a giant step toward the MIAA crown.

MSC Athletic Director Wins All Homecoming Games From 1937-1955

For the first 19 years of Coach Ryland Milner's tenure as MSC grid mentor the Bearcats did not lose a Homecoming contest. Milner took over in 1937 and kept the unblemished record through 1955.

In recalling past Homecoming struggles, Milner stated the 1952 tilt "was one of the wildest ever played." In that one Kirksville came within one point and one minute of ending the winning streak. Standouts for the Big Green in that game were Paul Tobin and George Coulter, captains; Bob Hemingway, quarterback and line-men Jim Gillette and Don Palmer, all known to area MSC fans.

Hemingway filled the air with passes until one hit for paydirt with a minute remaining. Maryville won 28-27. Milner said his '52 eleven was a

Ryland Milner

"Cinderella" team that did not catch fire until they hit their conference foes.

Besides his famous winning skein in Homecoming contests, Milner rang up eight conference titles and his 1938 and 1939 squads were undefeated and ranked tops nationally on defense.

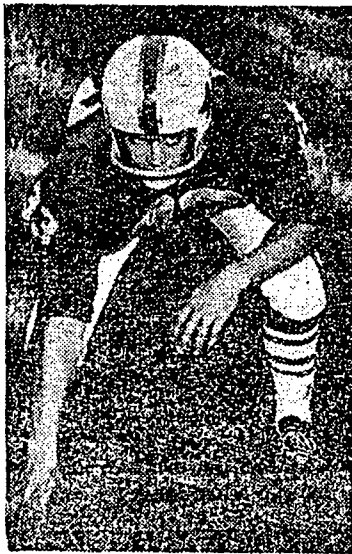

During the string of Homecoming victories many prominent athletes appeared on the MSC scene. Among these were three present Bearcat coaches. Ivan Schottel and Robert Gregory were stars on the 1941 squad and Burton Richey starred on the 1951 team.

Other well known former 'Cats include, Ron O'Dell and Bill Cain, former Maryville High School coaches, plus Gregory, who coached at MHS and Fred Fuhr, present local high school grid coach. Milner also coached such stars as Ono Monochino, Darrel Walker, and Jack Lasley, present MSC Dean of Men.

Arch rival Springfield ended the streak in 1956 with a field goal in the last minute of play.

Now in the position of MSC Athletic Director, he coordinates activities in the athletic department but when Homecoming rolls around, no person in Rickenbrode Field can recall more memories and winning Homecoming contests than Ryland Milner.

Support the undefeated Bearcats at the Homecoming game against Kirksville at 2 p. m. Saturday at the Rickenbrode Stadium.

Bearcat Rally in Second Half for 41-19 Loop Win

The Northwest State College Bearcats were given their worst scare of the year Saturday at Rolla when a fired up Miner football team forced them to break out of a 13-13 halftime deadlock for a 41-19 MIAA win.

The win gives Maryville a perfect 6-0 season record and 2-0 in league play and sets the stage for a real headknocker between Maryville and Kirksville here at Homecoming Saturday afternoon.

Kirksville tripped visiting Cape Girardeau 12-3 Saturday for a league tie with Maryville at 2-0.

'Cats Need 4th Quarter Surge

The Bearcats broke out of the 13-13 halftime deadlock but only had a meager 20-13 third quarter lead until Coach Ivan Schottel's charges exploded for 21 points in the final stanza.

Schottel said the Miners were rough and "gave us a real scare."

Mickey Thompson was the first Bearcat to hit paydirt, but it was after a 75-yard TD run by Lonnie Irvin the first time Maryville had the ball was called back for clipping. Later Thompson went in from the one, but the PAT kick failed.

Leo Papas, all MIAA quarterback who completed 11 of 16 passes in a fine aerial performance, upped the Maryville lead to 12-0 midway through the opening quarter with a 20-yard pass to end Dave Ranum. Mike Peterson's conversion made it 13-0.

Rolla, the decided underdog, struck back. Scatback Eugene Ricker scampered 16 yards to score late in the first quarter and Bob Leone's conversion made it 13-7. Jim De Bold went 18 yards to tie the score after the Rolla defense had forced the Maryville club to punt.

Irvin Puts 'Cats in Lead

Maryville wasted little time breaking the deadlock, sending Irvin on a 15-yard sprint in the third period, then broke the game open with three touchdowns in the final quarter.

In the last period, Peterson went three yards to score in the opening minutes, Jim Blankenship scored from 11 yards out on the next Maryville series,

Jim Blankenship led all three last-period conversions. and sophomore fullback Bob Albanese scampered 16 yards

Bob Albanese

late in the quarter. Papas boot-

Schottel pinpointed the punting of Hal Wittbrodt as a decisive factor in the Maryville victory. Wittbrodt kicked three times for a 43-yard average.

Hal Wittbrodt

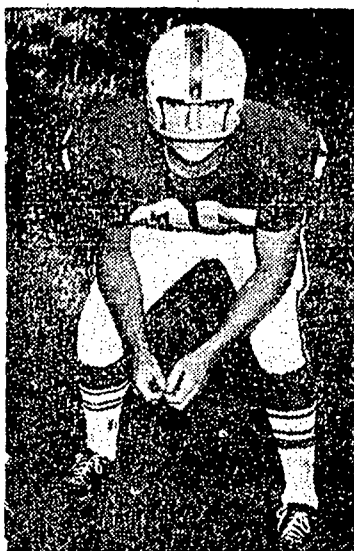

Papas, a transfer from Nebraska who this year shares the quarterback post with Joe Exposito in Schottel's platoon system, threw three times to end Ed Maxwell to pick up 102 of Maryville's 293 yards gained through the air. Bob Harvey, Mickey Thompson and Peterson were also outstanding receivers for the 'Cats.
